*Thank you for auditioning for the Advanced Acting classes. I am excited that you are interested in being a part of our theatre family. Understand that requirements for these classes will be stringent, including: a minimum of 10 hours after school work per production, two journals per week, outside play attendance, summer reading assignment, reading a minimum of 2(JV) or 3(V) plays each nine weeks, “written work” and in class performances. Don’t let this alarm you, but realize that these classes are advanced and will be treated as such.*

## Advanced Acting Class – Academic/Behavioral Rider

*I understand that I must maintain an 80 average to remain enrolled in this class at semester break. This average will be an average of the two nine weeks grades. I understand that in the event that I become a discipline problem I can be removed from the class at any time during the semester.*

*I have completed the audition application honestly and have read the list of items that will be expected of me. I agree to comply with them.*

### PARENTS:

*The Kingwood Theatre Booster Club is a large reason for the success of the Drama Department. However, their involvement depends greatly on the support of the parents of the students actively involved in the department. Typically the students enrolled in the advanced classes (Junior Varsity, Varsity, and Technical Theatre) are the most involved. It is my desire to provide The Booster Club Officers with your contact information for official booster club business only. If you would rather your contact information not be released please sign below. Please be advised that your involvement in the booster club has no bearing whatsoever on your child's acceptance in the advanced theatre classes. Thank you for allowing your child to audition for our classes and encouraging their participation in the arts. I look forward to meeting each of you. If you have any questions please don't hesitate to call me.*
